Ebook Details:

Review: I bought this book because it seemed like a great educational book for my special ed students struggling with basic literacy concepts. I love how Lionni begins with single letters, and then puts 2 or 3 together to create words - great teachable moment. Then, the words are put together to create sentences. There are countless related activities that...

Description: From beloved Caldecott winning picture book creator Leo Lionni, this fable is about sticking together and sending a message of peace to those in charge. When a fierce wind threatens to blow all the little letters out of the alphabet tree, they must band together in words—and then sentences—to create a message that's even stronger than the wind: peace...
